## RE: OUT OF HOURS WORK / THAMES PATH - BANKSIDE YARDS

Dear Neighbour,

We want to communicate that we will be temporarily closing the Thames Path to carry out a safety inspection to ensure the scaffolding gantry, that currently covers the walkway, remains in good condition. As this walkway is constant use by members of the public and local residents, and to minimise any disruption, we have requested to carry out this work outside of normal working hours.

We are working closely with Southwark Council to ensure all permits and approvals are in place to safely carry out these works from Friday 30<sup>th</sup> September at 00:00 hours (midnight) to Saturday 01<sup>st</sup> October at 05:00 hours.

We have taken appropriate measures to mitigate any impact during this time and will do our best to ensure minimal disturbance to the neighbours.

We will be back in touch should anything change regarding these works, however if you have any concerns or questions, please feel free to contact us on the numbers below.

Kind Regards,
