Welcome to our May-June 2023 update

Multiplex Construction Europe is a premier global construction company that has been shaping skylines and delivering iconic projects for over 55 years. We are delighted to have been tasked with delivering the Bankside Yards West development, situated in the London Borough of Southwark.

Bankside Yards West is part of a new mixed-use development scheme comprising of residential and commercial buildings along with retail units and public spaces. The basement is shared with all three buildings.

To construct [a better future](#)

May Site Progress

- The Arbor building achieved Practical Completion on the 19th December 2022 and has been handed over to Ashdown Phillips Partnership who is now responsible for operations in the building.
- Contractors are carrying out final checks to the building ('snagging').
- Civil works in the arches are progressing well.
- Tenant fit out is complete on Levels 5, 6 and 7.
- Tenant fit out to Level 8 has commenced.

June – July 2023 Look Ahead

- The project team continue works on the arches and basement around Eastern Yards and Hopton Street carpark. The current arches scope of works is due to be completed in September 2023.
- Arches civil works are scheduled for completion in September 2023.
- Demolition to ground floor slab to Eastern Yards will commence in early-June.
- Cabin removal from the northern end of Western Yards will commence mid-June.
- Multiplex continues to be responsible for the perimeter of the development for the foreseeable future.
