RE: OUT OF HOURS WORKS – SOUTHWARK STREET ARCHES - BANKSIDE YARDS

Dear Neighbour,

As part of the improving streetscape works under the Southwark Street rail bridge, art display boxes will soon be installed. In order to carry out these works safely and to ensure the safety of members of the public, the works will need to be completed outside of our normal working hours, under a closure of the TfL footpath next to the road on the northside of Southwark Street.

To minimise any noise or nuisance during the works, our operatives have been briefed to ensure noise is always kept to a minimum and the works will be undertaken with hand-tools.

The works will be carried out as outlined at the below times, and although we have provisionally booked two dates, we anticipate that only one of the night shifts will be required, with the additional date requested as contingency.

From	To
Wednesday 13 th September - 18:00 hours.	Thursday 14 th September - 06:00 hours.
Thursday 14 th September - 18:00 hours.	Friday 15 th September – 06:00 hours.

We have worked closely with Southwark Council to ensure we have all permits and approvals in place to safely carry out these works at the date and times shown above and we will have a dedicated team who will do their best to ensure minimal disturbance.

We will contact you again should anything change. In the meanwhile, if you have any concerns or questions relating to these works, please feel free to contact our project team members on the numbers below.

Kind Regards,

Wally Alvarez
